

Biography

Bardo Schettini Gherardini

Bardo is a senior manager with long experience on European affairs. He joined EIM in 2018 as Director of Operations and supports the Executive Director on high-level technical and policy issues, the coordination and management of complex files, as well as on the relevant relations with the EU Institutions and stakeholders in the rail sector.

Bardo is graduated in Italy and France in European and international law. Before joining EIM, he was the Director of Legal Affairs in CEN and CENELEC, the European Standardisation Bodies. Bardo also worked in the European Commission as National Expert and for the Italian and American Chambers of Commerce.
