

Luís M. S. Oliveira

Current position: Partner at Miranda & Associates, in charge of Public and Regulatory Law Practice for multiple jurisdictions (notably, Portugal, Angola, Cape Verde, Equatorial Guinea, Cameroon, Chad, Gabon, CEMAC, ECOWAS); Member of the State Panel of Tax Arbitrators, under ethical and regulatory oversight of the Higher Council for the Administrative and Tax Courts, as of 2011.

Education: Degree in Law from the Lisbon University (1979); Post-Graduate in Information Society Law – Lisbon University (1998); E-business Course – Darden Graduate School of Business Administration, University of Virginia (1999)

Selected reference regulatory works and projects:

- compensatory mechanisms to Railway Undertakings in cases of temporary capacity restrictions and line closures (COTIF and EU Directive 2012/34);
- pricing modelling for the use of the railway track infrastructure;
- pricing modelling for shared services and regulated natural gas prices;
- regulatory study on blockchain-based promissory notes;
- drafting secondary legislation on encryption of GRPD-covered data in the Standard Audit File for Tax Purposes (CryptoSAF-T);
- drafting secondary legislation on marker for ‘professional diesel fuel’ for road freight transporters;
- drafting secondary legislation on single ID issuer for tobacco products;
- regulation of State procurement (on engagement from the EU Commission, Task Force for Greece);
- drafting various Portuguese public procurement system secondary regulations;
- e-public procurement (as member of advisory panel to the Government).
